

CompTIA Communities & Councils Forum

March 14-16, 2022 | Chicago Marriott Downtown Magnificent Mile

CompTIA Communities & Councils Forum (CCF) Pricing

Corporate Members: CompTIA CCF is included in your annual member dues. You receive unlimited registrations at no cost.

Solution Providers: Registered Users and non-members pay \$350 and receive a one-year CompTIA membership.

Vendors and Distributors: Non-members pay \$350 to attend and we will apply this to your membership dues.

About CompTIA Corporate Membership

Our membership spans the full range of solution providers, from established Fortune 500 leaders to emerging tech-service innovators that support the implementation and management of modern technology. If your business builds, sells, or influences the adoption of technology business solutions, CompTIA is the high-tech trade association you need to be part of. [Becoming a member](#) connects you to a support program that offers education, networking and further benefits designed to help you grow a more successful business.

Registration Category	Registration Rate
